The fees include a free plaque (sent after first award), and certificate (sent annually). The applicant establishment can choose to purchase a Green Key flag (€25 + delivery costs) or an additional Green Key plaque (€40 + delivery costs).

The invoice covering the fees and audit costs (including travel costs) as well as flags is normally sent to the applicant establishment after the on-site audit. In years without on-site audit, the invoice covering the fees is normally sent to the applicant establishment in connection with the request for the offsite audit documents. There is a standard 30 days' payment deadline
